## ***Closure and Absences***

The school will be closed during summer break, winter break and spring break. Other than these times, the school will only be closed in observance of Islamic and national holidays or inclement weather. Check newsletter and Al-Iman Facebook page for updates.

The school staff should be notified of any absences in advance. Please email or call the office.

## ***Health Policies***

Parents will be contacted to pick their children if any of the following issues occur: high temperature, diarrhea, vomiting and symptoms of acute illness, uncontrollable or persistent cough, complaint of severe pain, or if the child is very unruly. The staff will provide some emergency health care for minor injuries, which includes the administering of first aid in the case of injury, the obtaining of emergency health care and arranging for the transportation for children in need with immediate notification of the custodial parent/guardian.

The program's staff will provide a child who has or develops symptoms of illness a place to rest quietly that is in view of and under the supervision of the staff. In the event that a child has or develops symptoms of illness, the custodial parent/guardian will be notified immediately. The home/work telephone numbers of parents and individuals designated as emergency contacts must be provided with registration materials. Be sure to add/correct information as needed.

The school should be notified if a child has a communicable disease. Children with infections or communicable diseases may return to the program only with written order of a Physician. Children will not be given any medication, nor can special medication procedures be carried out, except upon written order of physician and under written instructions from a parent/guardian. Medication in its original container must be carefully labelled with the child's name. It will be kept beyond the reach of children and will be used as needed. **It is required that the Al-Iman Academy has a copy of each child's immunization record file.**

### ***Behavior Expectations***

To maintain a constructive atmosphere, the Pre-School must establish rules of behavior. Using positive, non-threatening techniques, staff members will guide children to become responsible for their own actions and to respect the rights and feelings of others. Children will be encouraged to resolve conflicts through effective communication. Consistent behavior problems will result in a conference with the Principal, parent/guardian and child to review the Pre-School rules and to discuss possible solutions. In extreme circumstances, including serious discipline problems, which interfere with the program operation, a child might be asked to leave the school. After a conference with the parents and the child, the child would then be withdrawn from the program, without a refund of tuition.

### ***Inclement Weather***

If the local Henrico public schools are closed due to inclement weather Al-Iman Academy will not be in operation. Should inclement weather begin during school hours, parents are expected to pick up their child at the earliest time possible.

### ***Parental Involvement***

According to Islamic Traditions, the family is the nucleus of every child's early development. Therefore, it would only be expected that parents be involved in their child's school experience. Your input and observations would only enhance the program. There will be parent/teacher conferences held to review your child(ren)'s progress.

### ***Pick-Up Policy***

Only people who are 18 years of age or older listed on the "Pick-Up Authorization" selection of the registration form may sign a child out of pre-school. Parents are responsible to inform each person listed in the Pick-Up Authorization section that they will be required to present proper identification. Any changes to the list will be made in advance by written notification to the school.
